SUBJECT

Notification of Umetco White Mesa Leach Tank failure

SUMMARY

On October 1, 1985, I briefed Mr. Finerfrock (Radiation Safety) on the leach tank failure and resulting slurry spill of approximately 100,000 gallons at the Umetco White Mesa mill near Blanding, Utah. I indicated that this constituted notification to the State of Utah. Mr. Finerfrock offered no comments and thanked me for the information.
