AGENDA

Meeting with Senior Management of BWRs Regarding IGSCC

- Opening Remarks (NRC)
 - o Meeting Objectives
 - o Current Status
 - o NRC position regarding BWR IGSCC (scope of inspections, schedule, repair criteria)
 - o Long term considerations

- Discussion Issues for Each Licensee (about 10 minutes average, per licensee)
 - o Degree of inspection to date
 - o Schedule for next extended shutdown or refueling outage
 - o Plans to conduct future IGSCC inspections and scope of inspections
 - o Availability of qualified inspectors, qualification of inspectors
 - o Repair Criteria
 - o Compensatory measures, as applicable

GUIDANCE: The licensee should be prepared to make a presentation which addresses staff concerns contained in the agenda and to present other information deemed relevant to the issues generated in response to the NRR presentation.

ARRANGEMENTS: The conference room will accommodate one or two representatives from each of the invited licensees to be seated at the main conference table. Other senior licensee officials will be seated in the rows immediately behind each principle speaker.
