Mr. Stephens:

This letter is in reference to your letter dated August 9, 1994, which provided comments on draft regulatory guide DG-6002 "Establishing Quality Assurance Programs for the Manufacture and Distribution of Sealed Sources or Devices Containing Byproduct Material." We have reviewed your comments and have incorporated all appropriate comments into the final version of the regulatory guide. We will forward a copy of the final version of the regulatory guide to you once it is published.

Your comments were greatly appreciated and were an important contribution to the final version of the guide. If you have any questions or concerns after you review the final version of the guide, you can contact me at (301) 415-7868.
