Mr. Dennis Rathbun  
Director of Congressional Affairs  
Nuclear Regulatory Commission  
Washington, D.C. 20555

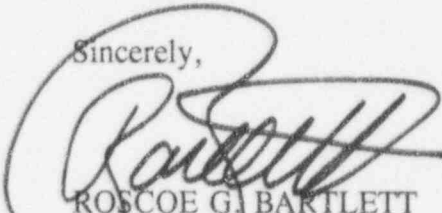

Dear Mr. Rathbun:

I am writing to you on behalf of Phillip E. Hooks, a resident of my Congressional District in Finksburg, Maryland.

I request that you provide an explanation of fire retardant policies which specifically relate to Thermo-Lag 330 at our nuclear power plants and the safety measures which you enforce.

Thank you very much for your time and attention to this matter. I look forward to hearing back from you soon.

Sincerely,

ROSCOE G. BARTLETT  
Member of Congress
