To Whom It May Concern

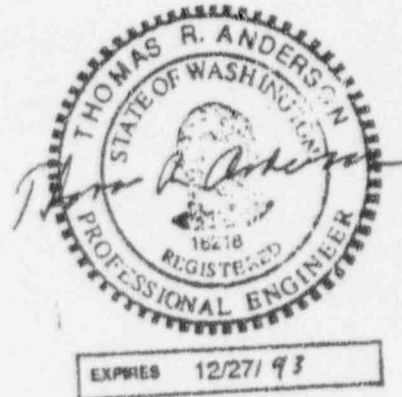

In November and December of 1987, I was asked to evaluate Pederson Bros Inc. Q.A. program, shop and personnel. At that time I found them capable of producing quality products.

It is now Feburary of of 1993 and I have been asked to reexamine Pederson Bros. Inc. I find that there have been no changes in Pederson Bros. Inc. Q.A. program. They are still capable of producing quality products.

Sincerely

Thomas R Anderson
