Dear Mr. O'Reilly:

In our response to Inspection Report Nos. 50-259/83-14, -260/83-14, -296/83-14 dated June 24, 1983, we indicated the present backlog of delinquent CARs/DRs would be eliminated by August 1, 1983. In a recent telephone discussion between Jim Domer of my staff and Dave Verrelli of your staff, they discussed an extension of that schedule until September 1, 1983. Due to the workload during unit 1 outage this additional time is needed. If you have any questions, please call Jim Domer at FTS 858-2725.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
