Re: In the Matter of Pacific Gas and Electric  
Company (Diablo Canyon Nuclear Power Plant,  
Units 1 and 2), Nos. 50-2750L, 50-3730L

Gentlemen:

Enclosed please find a copy of the Joint Intervenor's Application for a Stay, filed today by hand with the Appeal Board. Because of the very limited time available for consideration of this application prior to your scheduled meeting and possible vote on November 8, 1983, we have requested that the Appeal Board rule on the attached stay application by Friday, November 4, 1983. Our purpose in so doing is to ensure an adequate opportunity for your consideration of the stay application in the event that it is denied by the Appeal Board.

Accordingly, in anticipation of the possible vote on reinstatement of the suspended Diablo Canyon low power license on November 8, 1983, the Joint Intervenor's hereby request the Commission to undertake consideration of the enclosed
