Dear Mr. Ferrin:

This letter concerns our letter dated July 21, 1994, in response to your original request dated August 6, 1991, to combine registration certificates NR-0112-D-102-B and NR-0112-D-103-B, and your subsequent amendment requests dated January 3, 1992, April 5, 1993, and January 28, 1994. Our letter requested additional information concerning the amendment requests. To date, we have not received a response to this letter. Therefore, your application for registration is considered as having been abandoned by you. This action is without prejudice to the resubmission of a complete application.

Several points of clarifications for existing registrations were also requested in this letter. This letter does not revoke our request for this additional information.

We look forward to receiving the requested information as soon as possible. If you have any questions, please call me at (301) 415-5347.

Sincerely,

/s/
