OCT 6 1966

W. R. Grace & Company
Washington Research Center
Clarksville, Maryland 21029

Attention: Mr. J. D. Moyer

Gentlemen:

Enclosed is an amendment to License No. 19-04003-01
issued in response to your letter dated September 26,
1966.

The amendment does not authorize the possession and use
of Lead 210 because Lead 210 is not byproduct material.
You may possess and use Lead 210 without authorization
from the Commission.

Sincerely yours,

Robert E. Brinkman
Isotopes Branch
Division of Materials
Licensing

Enclosure:
As stated above
