Mr. W. T. Barrett
Grace Research and Development Division
W. R. Grace & Company
Washington Research Center
Clarksville, Maryland

Dear Mr. Barrett:

This is to acknowledge receipt of your application for byproduct material license dated June 24, 1958. Following a preliminary review of your application we find that additional information concerning your program is needed. We should like to clarify as to whether you are the individual to whom the license should be issued or whether it should be issued to the W. R. Grace and Company. We should like to have the information requested in Items 13, 14, and 15 of the Form AEC-313. This may be submitted on supplemental sheets as you did in submitting the training and experience of the individuals who use these byproduct materials.

Upon receipt of this information we will proceed to review your application.

Very truly yours,

William O. Miller
Senior Regional Licensing Reviewer
Isotopes Branch
Division of Licensing and Regulation
