Dear Mr. Stickler:

This letter is in reference to your letter dated July 8, 1994, which provided additional information concerning the registration of the Model GammaMed 12it listing Frank Barker Associates, Inc. as the distributor. We have reviewed the information enclosed with your letter and discovered that the Operator's Manual which you provided is for the Model GammaMed 12i, not the GammaMed 12it. Therefore, in order to continue our review, a copy of the Operator's Manual for the Model GammaMed 12it is necessary.

Please provide the requested information as soon as possible. If you have any questions, please contact me at (301) 415-7868 or Steven Baggett at (301) 415-7273.

Sincerely,
