Gentlemen:

This refers to the radiological protection program assessment conference held at your request in the NRC Region IV office on May 31, 1991, which was attended by Mr. J. W. Yelverton and other representatives of Entergy Operations, Inc. This conference was held to discuss the improvements being made to the radiological protection program.

The subjects discussed at this conference are described in the enclosed meeting summary.

It is our opinion that this informational conference was beneficial and has provided a better understanding of the management initiatives that had been taken by Entergy Operations, Inc., as they relate to your radiological protection program. In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the NRC's Public Document Room.

Should you have any questions concerning this conference, we will be pleased to discuss them with you.

Sincerely,

Original signed by

Samuel J. Collins, Director
Division of Reactor Projects
