Gentlemen:

On June 20, 1991, Mr. Lemons and support staff met with members of the Region I staff in King of Prussia, Pennsylvania to discuss proposed revisions to the Emergency Action Level scheme for the Calvert Cliffs Nuclear Power Plant. Specific items discussed during this meeting are documented in the enclosed meeting summary.

We believe that the meeting was beneficial to the mutual understanding of the issues and to improving the working relationships of those involved in the regulatory process. Please keep us informed as you make progress in completing this effort.

Sincerely,
