Dear Mrs. Ward:

Enclosed is a copy of Atlas Corporation's license for your use. As Dana Ward told you over the phone this is not the complete license and does not contain the references as cited. Your name and phone number will be given to our hydrologist Gary Konwinski. Gary should be calling you in the next few days to clarify any questions you might have pertaining to the groundwater at the Atlas site. If you have any questions please feel free to call me.

Sincerely,
