MEMORANDUM FOR: D. A. Ward
FROM: S. K. Beal, Senior Fellow (A)
SUBJECT: AGENDA FOR WATERFORD SUBCOMMITTEE MEETING,
MARCH 3, 1982

I am enclosing a proposed agenda for the Waterford Subcommittee Meeting for the Waterford Subcommittee Meeting on March 3, 1982. I have discussed this agenda with Mr. Prados of Louisiana Power and Light. LPL will address the issues raised in the ACRS letter of August 11, 1981.

For planning purposes I asked LPL to use this same agenda for the Full Committee Meeting on March 4 or 5, with the presentation times cut about in half. This will lead to about a two-hour Full Committee session on Waterford. If other issues are raised at the Subcommittee Meeting we could modify the Full Committee agenda, adding or deleting topics as necessary.

If you have any comments on the attached agenda, please let me know by January 29, 1982.

Enclosure: As stated
