Subject: Independent Audit of American Radiolabeled Chemicals

Reference: License number 24-21-362-01
Docket number 030-20-567

Dear Mr. Grobe:

Enclosed is the sixth audit report of the radiation protection program at American Radiolabeled Chemicals conducted on September 6, 1991. One Finding and one Observation are cited. Overall, the radiation protection program was found to be carefully implemented by a competent radiation safety staff.

Should you have any questions do not hesitate to call.

Sincerely,

Steven Green, CHP
