Docket Nos. 50-352 & 50-353

Dear Ms. Zitzer:

This is in reference to your recent concern relating to the Radiological Emergency Response Plans for the various private and parochial schools and health care facilities within the Limerick EPZ. As we advised you at the hearings on January 12, the plans for these facilities were included with the documents which were forwarded to LEA with my letter of September 1, 1983. It is our understanding, based upon conversations with PEMA, that the versions of these plans which were forwarded on September 1 are the most recent revisions filed with PEMA. I am enclosing herewith another set of these plans for your use. The ongoing review of these plans by the various institutions involved, including proposed changes being considered, will be reflected in the correspondence which we will continue to routinely forward to you in accordance with the Board's Order of May 16, 1983.

Very truly yours,

Eugene J. Bradley
