Gentlemen:

SUBJECT: REPORT NO. 50-406/83-01

On December 14-15, 1983, NRC inspected activities authorized by NRC License No. R-122 for your Tuskegee Institute School of Engineering. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed inspection report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

Within the scope of the inspection, no violations or deviations were identified.

In accordance with 10 CFR 2.790(d) and 10 CFR 73.21, safeguards activities and security measures are exempt from public disclosure; therefore, the enclosures to this letter, with the exception of the report cover page which presents a nonexempt summary, will not be placed in NRC's Public Document Room.

Should you have any questions concerning this letter, please contact us.

Sincerely,

Richard C. Lewis, Director  
Division of Project and  
Resident Programs
