OCTOBER 1, 1991

MEMO TO: R.N. MOIST
QA SPECIALIST
REACTIVE INSPECTION SECTION NO. 2
VENDOR INSPECTION BRANCH

FROM: MIKE SOLLIE
4617 CHATHAM C^Y.
EVANS, GA 30809

SUBJECT: REQUEST FOR INFORMATION

IN REFERENCE TO 10 CFR PART 21, I HAVE 2 QUESTIONS PERTAINING TO OPERATING PWR AND BWR FACILITIES. THESE ARE AS FOLLOWS:

1. FOR THOSE PLANTS WHO OBTAINED OPERATING LICENSES PRIOR TO ISSUE OF PART 21, ARE THEY STILL REQUIRED TO ABIDE BY THE PROVISIONS OF THIS DOCUMENT?
2. ALTHOUGH A QA PROGRAM IS NOT REFERENCED IN 10 CFR PART 21 AS BEING REQUIRED, "PROCEDURES" ARE NOTED. IN YOUR OPINION, WOULD IT BE BENEFICIAL FROM A QUALITY STANDPOINT FOR A LICENSEE TO PERFORM AN AUDIT/EVALUATION OF A MATERIAL SUPPLIER TO DETERMINE THAT THE PROCEDURES ARE IN PLACE AND ARE EFFECTIVELY IMPLEMENTED FOR THOSE RECEIVING PURCHASE ORDERS WHERE PART 21 WAS INVOKED?
