MEMORANDUM FOR: William O. Miller, Chief  
License Fee Management Branch  
Office of Administration

FROM: Herbert N. Berkow, Chief  
Management Analysis Branch  
Planning and Program Analysis Staff, NRR

SUBJECT: NRR COSTS ASSOCIATED WITH THE LASALLE 1 OL REVIEW

As requested by your December 23, 1982 memorandum, we have reviewed the printout of professional staff hours associated with the OL review of LaSalle 1. There were 42,990 (40,655 regular and 2,335 non-regular) staff hours associated with this review. There was not a hearing. The contractual cost amounted to \$383,521.

As we have discussed with Jim Hollaway in recent weeks, our staff costs include travel time directly related to the conduct of the review. We have no acceptable way to identify and delete time spent in travel which has been charged against the docket. We firmly believe that time spent in travel to and from case-related activities is a perfectly legitimate direct cost which should be fee-recoverable.
