Re: Rochester Gas and Electric Corporation
(R. E. Ginna Nuclear Power Station,
Unit No. 1), Docket No. 50-244-OL

Dear Sirs:

Last week we received a copy of a handwritten letter dated January 24, 1984 from Mr. Scott V. Bullock to Chairman Grossman. The letter purports to notify the Atomic Safety and Licensing Board "of a possible nontimely filing of petition for leave to intervene."

Since Mr. Bullock is not now requesting intervenor status, we shall not respond to the unsubstantiated allegations contained in his letter. If an untimely petition to intervene is filed, we reserve the right to oppose it.

Very truly yours,

Harry H. Voigt
