Re: 50-443, 444 Seabrook Station, Units 1 & 2

Dear Mr. Dignan and Mr. Gad,

I understand from ALAB-753 (Jan. 24, 1984) you filed some item in behalf of the applicants in this matter in reply to my appeal denied by the Appeal Board.

As I did not receive any filing from you on this appeal, I would appreciate receiving immediately a copy of it (and any other filing with regard to ALAB-753). On December 29, 1984, I filed a Comment on an "Advanced Notice of Proposed Rulemaking" (48 Fed. Reg. 50550) mentioning the absence of your filing in another context.

I trust you will see to this matter.
