Security Plan Amendments Per 10CFR50.54(p)

Dear Sir:

Pursuant to the provisions of 10CFR50.54(p), Florida Power Corporation is hereby reporting planned changes to the Modified Amended Security Plan (Revision 2) for Crystal River Unit 3. These changes will not diminish the effectiveness of the Plan or its implementation. An explanation of these changes (Attachment 1) and replacement pages (Attachment 2) are enclosed. Note that to make the Plan more readable and preclude extensive revisions throughout, these changes are to be inserted into the Plan as a revision to Chapter 10. During the period when the changes described in the Attachments are in effect, the Figures included with this change will be effective, superceding Figures 4, 5, and 8 of the existing Plan.

The attachments contain Safeguards Information, as defined in 10CFR73.2(jj) and, as such, shall be withheld from public disclosure and protected pursuant to 10CFR73.2l.
