Physical Security Plan, Revision 23

Enclosed are four copies of Revision 23 of the South Texas Project Electric Generating Station Physical Security Plan. In addition, three copies of this revision are being forwarded to NRC Region IV. This revision replaces, in total, previously submitted Physical Security Plan, Revision 22. None of the changes described in this revision represent any lessening of security effectiveness; hence, this revision is being submitted in accordance with 10CFR50.54(p)(2). Descriptions of the changes are provided in Attachment 1.

The revised sections of the Physical Security Plan provided with this letter require protection as Safeguards Information in accordance with 10CFR73.21. When separated from the revised sections, this letter and list of changes are not considered Safeguards Information.

If there are any questions regarding this matter, please contact Mr. A. W. Harrison at (512) 972-7298 or me at (512) 972-8664.
