2. Page proof copy of single complete digest current through December 31, 1981 (including table of contents and index in the NRC approved format) compiled from the existing digest and supplements and decision abstracts for the period January 1, 1981 through December 31, 1981, due not later than four months after NRC project officer approval of the proposed format. Within forty-five (45) calendar days after receipt of the page proofs, the NRC project officer shall review the page proofs, and will provide comments to the contractor for incorporation into the updated version of the digest.
3. Camera-ready copy of the updated digest (current as of December 31, 1981) shall be delivered to the NRC project officer not later than fifteen (15) calendar days after receipt of NRC comments regarding page proofs. The NRC project officer shall have a period of fifteen (15) calendar days to accept or reject the camera-ready copy.
4. Page proofs of complete updated version of the digest (current as of September 30, 1982) in the form of replacement pages shall be delivered within seventy-five (75) calendar days after acceptance of deliverable No. three (3) above, by the NRC project officer. Within fifteen (15) calendar days after receipt of the page proofs, the NRC project officer shall review the page proofs and will provide comments to the contractor for incorporation into the updated version of the digest.
5. Camera-ready copy of complete updated version of the digest in the form of replacement pages (current through September 30, 1982) shall be delivered to the NRC project officer not later than fifteen (15) calendar days after receipt of NRC comments regarding page proofs. The NRC project officer shall have a period of fifteen (15) calendar days to accept or reject the camera-ready copy.

Note: The above dated version of the digest shall be all inclusive meaning the replacement pages that present the applicable decision abstracts shall, when incorporated with the most current digest, make the digest a single complete cumulative document.

Regarding the NRC Issuances (NUREG-0750) and the NRC Staff Practice and Procedures Digest (NUREG-0386) referenced throughout the solicitation package, the following information is being provided for cost estimating purposes.

NUREG-0750 - Each monthly issuance ranges from 70 pages to 250 pages with the average being 150 pages per month.

NUREG-0386 - Existing digest contains 97 pages, Supplement number 1 contains 38 pages. Supplement number 2 contains 8 pages. Supplement number 3 contains 72 pages.

Aspen Systems, Inc.
