Docket No. STN 50-482

Administrative Judges Wolfe, Anderson and Paxton:

Please find enclosed "Applicants' Response to Nuclear Awareness Network, Inc. Petition for Leave to Intervene and Request for Hearing."

This is to advise you that while Attachments 2 through 5 are stamped "CONFIDENTIAL," Applicants are not asking the NRC to withhold them from public disclosure. The stamp was applied by the Kansas Gas and Electric Company Quality Assurance department because it reflects the customary treatment that organization gives to worker allegations under evaluation.
