Dear Mr. Felton:

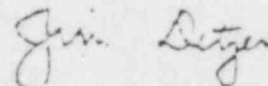

Re: FOIA-83-320

This is in response to your letter of June 24, 1983 and Susan Fitzgerald's conversation with you in July. Please clarify your response to my FOIA request. I requested transcripts of all NRC meetings held between Aug. 27, 1981 and May 10, 1983 that were closed to the media and the public at which commission members discussed the restart of Unit 1 of the Three Mile Island nuclear power plant. I did not only request transcripts of closed commission meetings dealing with this topic for the period from April 27, 1983 and May 10, 1983 as you indicated in your letter.

In your letter of June 24 you extended NRC's response to my FOIA request until July 12, 1983. More than four weeks have passed since then and I have still not received a reply to my request. Please inform me of your response within the next five working days.

I look forward to hearing from you.

Sincerely,

Jim Letjen
