SUBJECT: Arkansas Nuclear One - Units 1 & 2
Docket Nos. 50-313 and 50-368
License Nos. DPR-51 and NPF-6
Proprietary Portion of Response
to IE Bulletin 83-05

Gentlemen:

As referenced in our letter to Mr. John Collins dated August 12, 1983, (ØCANØ883Ø3) attached is a listing of Hayward Tyler Pump Company supplied spare which are in use at ANO. Per Mr. Richard DeYoung's request dated May 19, 1983, (ØCNAØ58323) the attached listing of spare parts is being submitted as confidential business (proprietary) information per 10CFR2.790, and therefore should be withheld from public disclosure.

Very truly yours,

John R. Marshall
Manager, Licensing

AFFIDAVIT PURSUANT

TO 10 CFR 2.790

Arkansas Power & Light Company)
State of Arkansas)
Pulaski County) SS.:

I, John R. Marshall depose and say that I am the Manager, Licensing of Arkansas Power & Light Company, duly authorized to make this affidavit, and have reviewed or caused to have reviewed the information which is identified as proprietary and referenced in the paragraph immediately below. I am submitting this affidavit in conformance with the provisions of 10 CFR 2.790 of the Commission's regulations.

The information for which proprietary treatment is sought is contained in the following document:

Attachment to ØCANØ883Ø7, HTPC Installed Spare Parts at ANO.

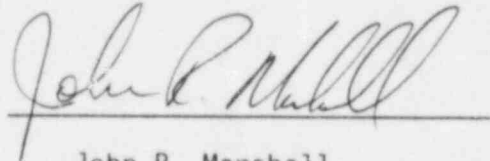

This document has been appropriately designated as proprietary.

Pursuant to the provisions of 10 CFR 2.790 of the Commission's regulations, the following is furnished for consideration by the Commission in determining whether the information sought to be withheld from public disclosure, included in the above referenced document, should be withheld.

1. The information was requested to be treated as proprietary information per NRC's Mr. Richard C. DeYoung's letter dated May 19, 1983, to AP&L's Mr. William Cavanaugh III.
2. The information associates Hayward Tyler Pump Company customers with their spare parts needs.
3. The information is customarily held in confidence by its owner for business purposes.

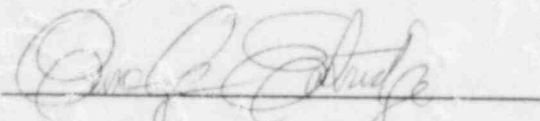

4. The information is not typically publically available.
5. Disclosure of the information could harm the competitive position of Hayward Tyler Pump Company.

I have read the above and foregoing statements and they are true to the best of my knowledge and belief.

John R. Marshall
Manager, Licensing

Subscribed and sworn to before me this
24th day of August, 1983.
