SUBJECT: Waterford SES Unit 3  
Water Seepage in Concrete Basemat

Dear Mr. Collins:

This is to confirm discussions with you and members of your staff in which we informed you that Harstead Engineering Associates, Inc. is conducting an analysis of the water seepage which has been identified in the Waterford 3 SES basemat. A report of this analysis will be issued on or before September 1, 1983.

Yours very truly,

F. J. Drummond  
Manager Engineering & Technical Services
