Houston Lighting & Power Company  
ATTN: G. W. Oprea, Jr.  
Executive Vice President  
P.O. Box 1700  
Houston, Texas 77001

Gentlemen:

We have received your letter of November 1, 1983, transmitting the description of Revision 5 of the quality assurance program that Houston Lighting & Power Company is implementing for the South Texas Project as required by 10 CFR Part 50.55(f)(3).

This is not an acceptance letter pursuant to 10 CFR Part 50.55(f)(3)(iv) as the previously submitted description of Revision 4 of your program along with the subject submittal, are still undergoing review. You will receive a letter from this office when our review is complete. If questions, in addition to those transmitted to you via our letter of October 26, 1983, arise during our review process, we will contact you for their resolution.

Sincerely,

Original Signed By  
E. H. Johnson

E. H. Johnson, Chief  
Reactor Project Branch 1
