SUBJECT: COMMITMENT CHANGE, NRC INSPECTION REPORT 50-313/93-12; 50-368/93-12

Thank you for your letter of January 4, 1995, that documents a change to a commitment made as a result of a Notice of Violation documented as part of NRC Inspection Report 50-313/93-12; 50-368/93-12. We have reviewed the change to your commitment and the corresponding change to your Fitness-for-Duty procedure as it applies to Supervisor Behavioral Observation Training. Your change to the commitment meets the regulatory requirements of 10 CFR Part 26, and we find it responsive to the concerns raised in our Notice of Violation. We will review the implementation of your change to the commitment during a future inspection.

Sincerely,

Samuel J. Collins, Director
Division of Radiation Safety
and Safeguards
