Gentlemen:

SUBJECT: CRYSTAL RIVER QA PROGRAM

This refers to your letter dated June 10, 1983, (3F-0683-01) which provided a current description of the operational quality assurance program for the Crystal River plant (Docket 50-302). Based on our current schedule, reviewing this new information, which supplements or revises the previously accepted QA program, will require more than 60 days to complete. Our review is in progress and you will be informed promptly of any questions we may have as soon as our evaluation is complete.

We appreciate your timely submittal of the information required by 10 CFR 50.54(a). Please contact me if you have any questions regarding our review of your submittal.

Sincerely,

R. C. Lewis, Director
Division of Project and
Resident Programs
