Dear Mr. Palladino:

The City Council of San Luis Obispo wishes to reiterate its concerns, regarding the possible premature licensing of the Diablo Canyon Nuclear Power Plant, that were expressed in Resolution 5065 (1983 series) passed in March 1983 (copy attached).

We are dedicated to the concept that government is responsible for allowing adequate public input and for the health and safety of its citizens; therefore, we urgently request that all reports be received and verified, that public hearings be completed and analyzed, and that the Nuclear Regulatory Commission be fully satisfied regarding full compliance by the plant operators before you issue a low power license for Diablo.

Sincerely,

Melanie C. Billig
Mayor

RESOLUTION NO.5065(1983 Series)

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN
LUIS OBISPO REQUESTING THE NUCLEAR REGULATORY
COMMISSION DEFER RELICENSING OF DIABLO CANYON
POWER PLANT UNTIL REVERIFICATION PROGRAM AND
SAFETY STUDIES ARE COMPLETED

WHEREAS the Diablo Canyon power plant has been the subject of a
reverification analysis of its seismic safety as required by the U.S.
Nuclear Regulatory Commission (NRC); and

WHEREAS the NRC recently adopted a licensing schedule which permits
restoration of the plant's license and fuel loading before the reverifi-
cation program is completed, before the results are analyzed, and before
any corrective action called for in that program, if any, can be imple-
mented; and

WHEREAS the licensing schedule for the plant also has no provision for
the completion of studies of three plant safety systems ordered by the NRC,
nor for the analysis of those studies, nor for the implementation of their
recommendations;

THEREFORE, BE IT RESOLVED that the City Council of the City of San
Luis Obispo urges, in the interest of the public's health and safety, that
licensing, fuel loading or operation of the Diablo Canyon power plant be
deferred until the reverification program and safety studies commissioned
by the NRC are finished; the plant is proven to be safe; and all plant
modifications to safety related structures, systems, and components are
completed.

SECTION 1. The City Clerk shall furnish copies of this resolution to:
Nuclear Regulatory Commission; Congressman Leon E. Panetta; and Congressman
Morris Udall

On motion of Councilman Griffin, seconded by Mayor Billig,
and on the following roll call vote:

AYES: Councilman Griffin, Mayor Billig and Councilwoman Dovey

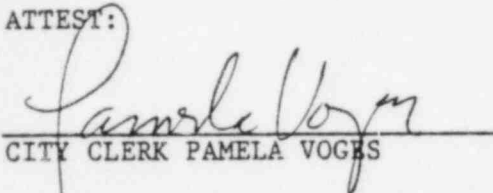

NOES: Councilman Dunin

ABSENT: Councilman Settle

the foregoing Resolution was passed and adopted this 1st. day of March,
1983.

MAYOR MELANIE C. BILLIG
