REMOVAL OF REFERENCE FROM TECHNICAL SPECIFICATIONS

Gentlemen:

Hatch Unit 1 Technical Specification 4.7.E Reference 1 refers to the February 14, 1973, revision of Appendix J to 10 CFR 50. Our letter of March 5, 1979 proposed to change this reference to a later version of Appendix J.

This letter confirms a telephone conversation which was held January 27, 1984, between members of our staff and our NRC Licensing Project Manager. It was determined that our previous submittal should be modified to delete Reference 1 in Section 4.7.E and all references to Reference 1 (sections 4.7.A.2.a, 4.7.A.2.e, 4.7.A.2.f and 4.7.A.2.g). NRC has agreed to issue changed pages reflecting the removal of this reference.

Please contact this office if you desire further information.

Very truly yours,

L. T. Gucwa
