

Docket Nos.: 50-440  
and 50-441

FEB 3 1984

Mr. M. R. Edelman  
Vice President - Nuclear Group  
The Cleveland Electric Illuminating Company  
P. O. Box 5000  
Cleveland, Ohio 44101

Dear Mr. Edelman:

Subject: Deletion of Home Telephone Numbers, Unlisted Utility  
Numbers, etc. from Emergency Plans Re Perry Nuclear  
Power Plant (Units 1 and 2)

By Generic Letter No. 81-27 dated July 9, 1981, we advised licensees  
and applicants that:

When emergency plans and implementing procedures, or changes  
thereto, are submitted in the future, please mark all pages  
which have privacy or proprietary material, bracket the specific  
information involved, and identify these pages in the transmittal  
letter.

During the past two years the NRC has reviewed emergency plans and emergency  
plan supplements to delete home telephone numbers, unlisted utility numbers,  
and periodically social security numbers even when no request for these  
deletions were made as required by Generic Letter No. 81-27. It has been our  
experience that seldom do licensees and applicants request deletion of information  
in the emergency plans or their supplements. This is to advise you that we do  
not intend to review emergency plans to delete privacy or proprietary information  
unless you specifically request that the information be deleted as required by  
the July 9, 1981 letter. Therefore, absent such a request, the entire plan will be  
placed in the NRC's Public Document Room in Washington, D. C. and in the Local  
Public Document Room located near your plant site.

Sincerely,

Original signed by:
