Dear Ms. Stangler:

This letter will confirm our telephone conversation of Tuesday, February 7, 1984, in which I offered to supply you, as the representative of Georgians Against Nuclear Energy/Coastal Citizens for a Clean Environment, with one copy of Georgia Power Company's Application, one copy of the Final Safety Analysis Report, and one copy of the Environmental Report, all in connection with the Plant Vogtle licensing proceeding. These documents are being transmitted to you under separate cover from Birmingham, Alabama; and you should expect to receive them no later than early next week.

If you have any questions, or if I can be of further assistance, please give me a call.

Sincerely yours,
