Dear Mr. Gagliardo:

Notice of Violation
Notice of Deviation
Inspection Report 83-26

The subject Inspection Report, dated December 6, 1983, identified three (3) violations of 10 CFR 73.55 concerning the Fort Calhoun Station Physical Security Plan and the Guard Training and Qualification Plan. The report also identified one (1) deviation concerning a failure to revise the Fort Calhoun Station Site Security Plan.

Accordingly, as required by the Notice of Violation and the Notice of Deviation, please find attached the Omaha Public Power District's responses to the identified items. These responses also reflect information discussed in a telephone conversation with NRC Region IV after the security audit.

Sincerely,

W. C. Jones
Division Manager
Production Operations
