

USED FUEL STORAGE AND TRANSPORTATION ISSUE RESOLUTION PLAN

Issue Number: I-20-02

Performance Margins Recommendations: III-1, III-2 (Cat 1)

Rev. 3.19.2020

Title: Define more realistic source term and burnup conservatism assumptions and develop a roadmap to guide applicability and usage.

I. Summary of Resolution Plan

Industry and NRC will interact in public meetings and workshops as well as through letters to achieve the following:

II. Proposed Actions and Due Dates

ACTION	RESPONSIBLE PARTY	DUE DATE
1. Complete initial revision of RIRP	NEI	March 18, 2020
2. Develop draft industry roadmap	NEI	March 18, 2020
3. Review and discuss draft roadmap, NEI product and NRC action at workshop	NEI & NRC	March 25-26, 2020
4. Revise roadmap and develop application guidance based on workshop alignment	NEI	TBD
5. Review roadmap and guidance in follow-on public workshop	NEI & NRC	TBD
6. NRC determines the appropriate regulatory document to affirm applicability of source term and burnup conservatism assumptions and application guidance	NRC	TBD
7. Submit roadmap and guidance following revision and review	NEI	TBD
