LETTER FOR: State Officials, Uranium Licensees and Members
of the Uranium Industry

SUBJECT: UPCOMING MARCH 14-16 WORKSHOPS

Dear Ladies and Gentlemen:

This is to notify you of the upcoming two-day workshop with members of the uranium industry scheduled for March 14 and 15, 1995, in Denver, Colorado. A copy of the tentative agenda is provided as Enclosure 1. Following the full workshop, on March 16, 1995, attendees are invited to participate in a separate workshop on the application of 10 CFR Part 20 to uranium mills. The location of the meeting will be the Stouffer Hotel, 3801 Quebec St., Denver, (303) 399-7500. The American Mining Congress (AMC) has arranged for meeting rooms and a block of rooms for attendees. When calling to reserve your room, please identify the AMC in order to receive the special meeting rate of \$94.00 per night (\$77.00 government rate with Federal identification). You must make your reservations before February 21, 1995, as the hotel will not hold the block of rooms after that date and rates will increase.

To cover the costs of meeting rooms and audio-visual equipment the registration fee for the meeting is \$40.00. Please complete the enclosed registration form and remit \$40.00 per registrant to the AMC (provided as Enclosure 2).

Based on requests from licensees, the NRC has scheduled an additional workshop on March 16 (tentative agenda provided as Enclosure 3) on 10 CFR Part 20. The workshop will be held at the University of Denver Law School Chapel, Smith Lounge. Detailed directions to the workshop location will be available at the meeting. Workshop participants are urged to come prepared to discuss the implementation of Part 20, as it applies to the uranium recovery facilities.

Sincerely,

J. Holonich
Joseph J. Holonich, Chief
High-Level Waste and Uranium Recovery
Projects Branch
Division of Waste Management
Office of Nuclear Material Safety
and Safeguards
