Re: In the Matter of Metropolitan Edison Co.
(TMI-1), Docket No. 50-289-OLA and ASLBP
83-491-04-OLA (Steam Generator Repair)

Dear Ms. Doroshow:

Enclosed are documents referenced in Licensee's Answers to TMIA's First Set of Interrogatories and Request for Production of Documents which, at the time of filing, were determined to contain proprietary information. Review of Reference Documents 1-10, 12, and 18-22 indicated that the proprietary information could be removed without compromising the integrity of the information contained therein. In addition, Licensee has enclosed updated non-proprietary versions of the proprietary portions of Topical Report 008, Rev. 3 reflecting B&W's narrowed scope of proprietary information.

Licensee has now provided TMIA with non-proprietary versions of every document referenced in Licensee's Answers

to TMIA's First Set of Interrogatories and Request for
Production of Documents, with the exception of Reference
Document 27 which is entirely proprietary.

Sincerely,

Bruce W. Churchill
