

OCT 6 1983

Docket No. 50-358

Mr. Gerald Stanfield
102 High Street
New Richmond, OH 45157

Dear Mr. Stanfield:

As I discussed with you during our telephone conversation on October 3, 1983, I am enclosing copies of NRC Inspection Reports 50-358/82-10 and 50-358/83-02. These reports address the recent findings at Zimmer with regard to welder qualifications. As I explained to you, copies of these reports as well as all other documentation related to Zimmer are available for review in the local Public Document Room in Clermont County Library, Batavia, Ohio.

I hope I have been of some assistance to you.

Sincerely,

Edward R. Schweibinz
Reactor Inspector
