This is a Freedom of Information Act request

Dear Director,

I would like to request copies of all Reactor Operator and Senior Reactor Operator written examinations administered by the N.R.C. and its contracted agents during the past three years. The request includes tests administered between January, 1981 and the present.

I would like this information to include the cover sheet which contains the following information: type of exam, facility that it was administered at, date, and author. I would also like the information to include each exams answer key.

This information will be used in a research project being undertaken by the Professional Reactor Operator Society.

I agree to pay up to \$75 in copying and search fees. If the cost will exceed this amount please contact me before proceeding.

Thank you ,

James J. Peterson
