

OCT 3 1983

Docket No. 50-005

Pennsylvania State University  
Breazeale Nuclear Reactor Facility  
ATTN: Dr. S. Levine  
Director, Breazeale Nuclear Reactor  
University Park, Pennsylvania 16802

Gentlemen:

Subject: Meeting No. 83-58

This refers to the meeting held at the NRC Region I Office on August 12, 1983, to discuss decentralization of the NRC's operator licensing function and the Region I role.

Although I was not able to directly participate in this meeting, I do want to assure you that we are very conscious of the need to maintain an appropriate level of consistency for our efforts related to research reactors.

The scope and content of the meeting is described in the enclosed NRC Region I meeting report.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within 10 days of the date of this letter and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1). The telephone notification of your intent to request withholding, or any request for an extension of the 10 day period which you believe necessary, should be made to the Supervisor, Files, Mail and Records, USNRC Region I, at (215) 337-5223.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

**Original Signed By:**

Richard W. Starostecki, Director  
Division of Project and Resident  
Programs
