SERVED OCT 19 1983

The Honorable John H. Frye, III
Administrative Judge, Atomic Safety
and Licensing Board
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Judge Frye:

I am on notice of a petition filed before the Atomic Safety and Licensing Board Panel, Docket Number 50-358 which is a petition for reconsideration of September 15, 1983 Order.

On page 34 of that petition, there is a statement concerning the Office of Investigations' investigation of the William H. Zimmer Power Station. I wish to advise you that this office does, in fact, have an ongoing investigation and upon your request would present to you fruits of our investigative effort in camera ex parte.

Sincerely,

Ben B. Hayes, Director
Office of Investigations
