Dear Mr. Collins:

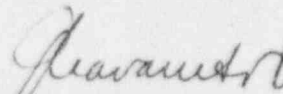

Enclosed you will find our revised Q.M.P. program for the Sr 90 Eye Applicator which was done months ago. Due to an involuntary misplacement of the documents it is sent now, as soon as I recognized that it had not been sent to you before.

We sincerely apologize for this involuntary and unfortunate delay in our response, since this is a very important matter for us at Centro Oftálmico del Este and will also appreciate your revision and advise on any items you consider that need further improvement or modifications in this program.

Thanks for your understanding and cooperation.

Sincerely,

CENTRO OPTALMICO DEL ESTE
