IN RESPONSE REFER  
TO FOIA-83-694

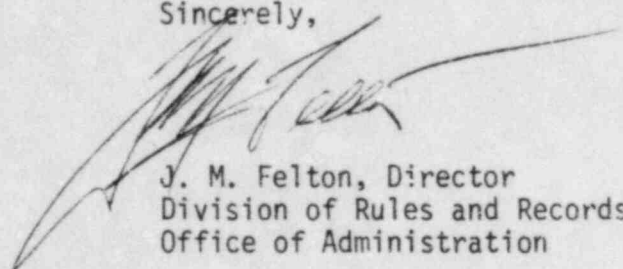

Dear Ms. Doughty:

This is in response to your letter dated November 23, 1983 in which you requested, pursuant to the Freedom of Information Act, that we again search our records for a map detailing background radiation levels that was prepared as the result of an aerial survey conducted out of Pease Air Force Base. (Reference our response to you dated November 16, 1983, FOIA-83-621).

The staff again searched their records for documents pertaining to your request. We have been informed that there are no agency records.

This completes action on your request.

Sincerely,

J. M. Felton, Director  
Division of Rules and Records  
Office of Administration
