RE: QUALITY MANAGEMENT PROGRAM
(I-131 AND I-125)

Gentlemen:

Enclosed please find the quality management program that was implemented in May of 1993 at Greenbrier Valley Medical Center. Also enclosed is a copy of our current "Dose Chart" that has been in place since 1991. We have reviewed our logs and found that the largest dose given since January 27, 1992 has been 24.0 uCi.

If there are any questions, please call our consultant, Sharon Long of NMA Medical Physics at (412) 281-6113.

Sincerely,

David R. Sirk
Executive Director
