Office of Nuclear Export/Import  
Control  
Bureau of Oceans and International  
Environmental and Scientific Affairs  
Department of State Room 4327A  
Washington, D. C. 20520

Dear Mr. Stoiber:

Enclosed please find an application from NRD Division for a license to export 60,000 curies of tritium in bulk gaseous form to Switzerland for the manufacture of luminous paint and light sources. You will note that MB Microtec Ltd., Niederwangen and/or Brandhurst Company, Ltd., High Wycombe may be manufacturing the light sources.

Before taking action on this license application, we would appreciate your views, in accordance with established procedures, as to whether the proposed export meets the applicable criteria in the Atomic Energy Act as amended by the Nuclear Nonproliferation Act of 1978.

Sincerely,

James V. Zimmerman, Assistant Director  
Export/Import and International Safeguards  
Office of International Programs
