Gentlemen:

Enclosed are LILCO's Request for Production of Documents to Suffolk County and Request for Production of Documents to the State of New York. In accordance with the Board's direction on February 22, the enclosed requests supersede those LILCO submitted on February 17, 1984. As you will see, the requests to the State of New York seek the production of documents only to the extent that the State intends to rely on consultants or evidence different from those of the County.

After you have had an opportunity to review the enclosed requests, we look forward to discussing with you a mutually convenient schedule for the review of those documents to be produced.

Very truly yours,

Robert M. Rolfe
