Docket No. 50-322-OL-3  
(Emergency Planning)

JOINT SCHEDULING SUBMISSION OF THE PARTIES  
ON EMERGENCY PLANNING MATTERS

In preparation for the November 2 and 9 filings and conference contemplated by this Board's current scheduling Orders, counsel for LILCO, the NRC Staff, Suffolk County and FEMA met on October 21 to discuss scheduling matters. During that meeting, it became apparent that, because the FEMA RAC review is scheduled to be completed early in December and because the parties believe that the results of the RAC review will be useful in preparation of testimony on pertinent issues, certain testimony cannot be fruitfully prepared prior to completion of the RAC review.

Accordingly, the parties have agreed upon the attached proposed division of testimony into two groups, with corresponding schedules for the filing of motions and commencement of hearings. All parties at the meeting have indicated their agreement with this schedule, and the remaining parties (SOC, NSC, and the Town of Southampton) are being contacted for their views.

The parties have jointly attempted, unsuccessfully, to contact the members of the Board by telephone this afternoon to

notify them of the proposed agreement embodied in this submission. The parties request that the Board act on this matter expeditiously, and in any event prior to next Wednesday, October 26, in order that the parties may know whether the summary disposition motions currently scheduled to be filed by that date will in fact have to be filed then. The parties are available for a conference call with the Board at any time early next week.

Respectfully submitted,

  
Counsel for Long Island  
Lighting Company

  
Counsel for FEMA

  
Counsel for NRC Staff

  
Counsel for Suffolk County
